[Hilltown, PA] FOR IMMEDIATE RELEASE

On March 30, 2018 it was announced that Pearl S. Buck International has been chosen as one of the 2018 Top Nonprofits to Work For by *The Nonprofit Times*. Among the 50 nonprofit organizations chosen nationally, it is the only Pennsylvania nonprofit organization on the list.

Leadership stability and organizational flexibility were the most fundamental elements that distinguished the organizations that made the list and those that did not. Other key factors in the ratings were in the areas of leadership and planning, corporate culture and communications, and pay and benefits.

Janet L. Mintzer, President & CEO of Pearl S. Buck International, commented, "We are proud to have been chosen for this honor and believe that it reflects the standards we work to uphold."
