The Global Leadership Program, for students from grades 9 through 11, is designed to help young adults become better students, college applicants, and global citizens. Students build relationships and learn vital skills such as team communication, cultural awareness, creativity, community service, leadership, goal setting and decision making in a group setting with teens from multiple high schools and differing backgrounds. The program is made possible by funding from Comcast.

The deadline for applications for the fall session of the Global Leadership Program is September 25. Students can find more information and apply at www.pearlsbuck.org/global-leadership-program.
